Meet at Fleet Feet Sports located at Valley Bend Shopping Center on Carl T. Jones Drive. All physicians, along with your families, your patients (and their families!) are welcome to come out and join us. Dr. Kelly Newton of Pulmonary and Sleep Associates of Huntsville will kick off our walk with a brief talk and then all are invited to hit the trail at Jones Farm Park just behind the shopping center. Please visit [madisoncountydoctors.org](http://madisoncountydoctors.org) for a downloadable flyer to share with your patients.
